Ms. Ourmières holds a Master of Aeronautics from the Ecole National Supérieure d'Ingénieurs and an MBA from Essec Business School. "I'm truly excited to join the Board of Directors of CityJet and to take on the role of CEO shortly. I am energized about working with such a dynamic team. I am confident that together we will succeed in this challenging time in the aviation industry, and continue to strengthen our position in the UK and Irish market. I am looking forward to returning to the UK and Ireland in my new position," said Christine Ourmières.

CityJet operates a franchise route network from various European cities into the Air France hub at Paris, CDG. CityJet also operates a route network in and out of London City airport where it accounts for almost 50% of all activity at the central London Airport. The CityJet group employs 1,059 people and operates a fleet of over 38 aircraft.
